1. When should I plan to study abroad?
In general, fall quarter of Junior or Senior year is the best time to study abroad for CAED majors (4th year for 5 year degree programs). There are many opportunities for students to study abroad while progressing towards their degree. In planning when to go, take these into consideration:

- Pre-requisite requirements for later classes
- Check with your Major Department Off-Campus Advisor for individual department requirements

Use your flowchart and PolyPlanner to plan for studying abroad. Find out if departments plan to offer courses during certain quarters through their websites. Meet with your academic advisor early to ensure that you will be able to stay on track and graduate on time.

2. What is the first step or when can I meet with a Study Abroad Advisor?
The first step is to attend a Study Abroad 101 workshop. We offer these two times a week and the locations, times and dates can be found here:
http://www.studyabroad.calpoly.edu/getting-started/101.html

After that, you can come to the International Center to speak with a Study Abroad Advisor. We are located in Bldg 52-E32 and our drop in hours are listed here:
http://studyabroad.calpoly.edu/contact.html

See your Major Department Off-Campus Advisor for the off-campus programs offered.

The Architecture Department offers various study abroad programs open to all 4th year ARCH majors and some CAED majors. A General Architecture Off-Campus Program Orientation is presented a year in advance. Contact Architecture Department on location, time and date.

The Landscape Architecture Department offers various study abroad programs open to qualified upper-division LARCH majors. Refer to department study abroad website for more information:
www.landscape.calpoly.edu/content/current/off-campusprogram
3. Can I take major or support courses for my major abroad?
Depending on your CAED major and off-campus program you choose, these will vary. Make an appointment with your Department academic advisor and or Department Off-Campus advisor to fill out necessary forms for pre-approval.

BARCH majors will receive 4th year design studio credit from Architecture 4th year off-campus programs that are being offered through the Architecture Department. Other support courses will vary amongst these Architecture off-campus programs.

4. Who do I talk to about getting credit through study abroad?

For GE courses
Cal Poly International Center;
Building 52, Room E32
8:00 a.m. – 5:00 p.m.

For pre-approved GE courses
Please visit the GE website here:
http://ge.calpoly.edu/content/ge-study-abroad

For all other courses
See your Department Off-Campus Advisor. If you are interested in participating in an off-campus program offered through the Architecture Department, visit the Architecture Department for further information or Architecture Off Campus website: http://www.arch.calpoly.edu/content/current/fourth-year-off

5. Is there a list of pre-approved major or support courses?
For programs that are offered through the Architecture Department, some study abroad programs do have pre-approved major and/or support course approval.

For other programs: Currently it is up to you to find course descriptions at the university abroad before you leave and bring those descriptions to your academic advisor for an approval form signed by Cal Poly faculty.

6. How does study abroad credit affect my GPA?
For Cal Poly Global Programs, grades will be factored into your overall Cal Poly GPA. For programs that earn transfer credit, grades will factor into your higher education GPA. If you take major courses, grades will also factor into your major GPA.

7. How long will completed courses take to show up on my DPR?
For Cal Poly Global Programs, courses will appear on your DPR just as if you were taking courses on campus. For programs that offer transfer program, it will take approximately two quarters. Keep ALL copies of approved course forms, course syllabus, unofficial transcripts, and the course catalog description. If you completed a pre-requisite abroad, you may be required to get a permission number for the course requiring the pre-requisite if it has not yet been posted to your DPR. Contact the course’s department for a permission number to waive the pre-requisite. Note: you will be asked to provide evidence of pre-req course completion abroad.

SCHOLARSHIPS & FINANCIAL AID

- Meet with an advisor in the International Center to discuss financial aid and scholarship opportunities
- Visit the Study Abroad Financing resources website here: http://studyabroad.calpoly.edu/financial/index.html
- Financial aid can apply, but will vary depending on which program you select
