The National Student Exchange (NSE) provides students with the opportunity to attend another member university within the U.S., its territories, and Canada for up to one year. Students participate in NSE to immerse in the unique geographic, cultural, and academic characteristics of the institution and region. Comments about the student’s motivation, adaptability, academic skills, and personal qualities will help to evaluate the suitability of a student's participation in NSE.

Advisor Remarks:
Any observations that will assist in evaluating the applicant are appreciated, especially opinions of qualities such as competence, independence, assertiveness, resourcefulness, quality of performance, confidence, social skills, open-mindedness, and integrity.

Occasionally, an academic advisor has not had enough contact with a student to do an adequate personal evaluation. In that situation we would like a statement regarding your willingness to work with the student to determine where courses taken at the host campus will fit into the student's home academic program. We would also like to know the appropriateness of exchange at this time in the student's program of study. We are particularly concerned that the student's academic progress will not be hindered by participating in NSE.

Based on knowledge of the applicant, please comment on his/her chances for success and what would be gained from an exchange experience. Please provide your candid opinion of this applicant’s chances for academic and non-academic success in an exchange program, weighing both strong and weak points.
