

SAFER TRAVELS

“One destination is never a place, but always a new way of seeing things.”

—Henry Miller

THE BASICS

- Students traveling abroad are at a higher risk of sexual assault than students at home
- Consumption of alcohol or other psychoactive substances increases risk
- Separation from home and support for a substantial period of time can have impacts on mental health and well being
- Sexuality and gender norms are expressed differently in each community
- Cultural norms will dictate dating and social behaviors, expectations, and etiquette
- Laws pertaining to gender violence can differ in each community
- Effects of gender violence can be compounded by isolation, cultural barriers, and lack of familiarity in the area

RESPONDING TO DISCLOSURES

“Are you safe?”

“I believe you”

“How can I help”

“Thank you for sharing with me”
